

Colourwork Mitts

by Marina Skua

Sportweight or DK

Inspired by the beautiful combinations of textures, motifs and muted colours of rural smocks, these knitted mitts are a contemporary take on traditional patterning.

Worked in either [Devonia DK](#) or [Yarnadelic Sport](#), the pattern includes a collection of textured and colourwork stitches and the mitts are finished with a simple button to add a classic twist and extra snugness around the wrists.

Skills Used: working in the round, colourwork, increasing, slipped stitches
