

# Crochet Hap

by Rosina Northcott

Laceweight or 4ply

Based on the traditional Scottish square hap design but brought south to Devon with inspiration from the Honiton lacemakers. Think hills and heather with beautiful, panoramic scenes.

The centre of the full hap is crocheted in [Appledore lace](#) using a simple linen stitch worked on the diagonal from corner to corner. The half hap version is crocheted in [Exmoor Sock 4ply](#), as a triangle of linen stitch. Both feature a border of cheerful colours with a combination of classic crochet stitches such as pretty puffs and a little lacy filet and are finished with picot points.

**Skills Used:** increasing, decreasing, working flat and in the round, changing colours, lace

# Gauge

Tension isn't essential but will have an effect on the amount used.

**Full Hap:** 14 dc sts x 24 rows = 10 cm / 4"; measured over linen stitch pattern after blocking.

**Half Hap:** 13 dc sts x 25 rows = 10 cm / 4"; measured over linen stitch pattern before blocking.

## Needles & Notions

**Full hap:** 3.5mm hook (US E-4)

**Half Hap:** 3.75mm hook (US E-4)

Stitch markers.

Blocking wires and pins.

And not essential but fun, a wooden blocking frame for the full hap - used in conjunction with blocking wires and additional strong yarn (nothing that will bleed colour).
